THE BEST OF 2007

THE end of the year is a time of reflection. It is also a good time to focus on what made the year so special.

And what a year 2007 has been for Thoroughbred racing: Street Sense's come-from-behind victory in the Kentucky Derby Presented by Yum! Brands (G1), Rags to Riches's historic win in the Belmont Stakes (G1), an expanded Breeders' Cup World Championships program, and the growing prominence of synthetic surfaces. These are just a few things that have helped make the year so memorable.

With the help of our readers, Thoroughbred industry leaders, and the THOROUGHBRED TIMES editors and writers, we present our list of the Best of 2007.—*Tom Musgrave*
